Hospitality

especial

Especial is a renowned British brand with a studio in the heart of Gloucestershire. While our heritage and local roots run deep, we are a dynamic company with a truly international outlook. We work with clients and partners around the globe, from elsewhere in Europe to the Middle East, and apply our highly cultivated experience in different markets to delivering outcomes that connect with your audience and represent your brand. We were born in Britain and cater to the world.

A unique identity

We specialise in developing distinctive, personalised product identities for our clients. From exclusively conceived patterns and motifs to uniquely fabricated items, we cater to all specifications. Our team of OS&E experts and designers are able to both shape a partner's vision and bring it to life.

The image shows two rectangular wooden platters stacked on a light-colored wooden table. The top platter contains a green vegetable salad with red chili peppers and white garnishes. The bottom platter contains a golden-brown fried food item, possibly cauliflower or chicken, garnished with green herbs. To the left of the platters are two clear plastic lids, one slightly overlapping the other. The text "Platters & Lids" is written in a white, italicized serif font across the center of the image.

As a manufacturing enterprise we recognise our actions have far reaching consequences. We relish making a positive difference and work hard in lessening our environmental impact.

All our wood is from sustainable sources. In today's world we must all take a care for our wider environment as well as that immediately around us.

Everything we do has an environmental consideration, from where we source our wood to how we heat our warehouse. We take our corporate and social responsibilities very seriously so you can be confident of the ethical nature of our products.

As a sustainable UK manufacturing company based in the Cotswolds we believe we have a responsibility to our local communities. We aim to support charities and communities where we can.

We can support with financial contributions through donations on sale and helping to raise awareness. We help raise awareness through our professional services such as product branding and our media channels. This mix offers a variety of ways in which we can contribute.

A photograph of a bar scene. In the foreground, a silver cocktail shaker with a lid stands on the right, and a silver coupe glass with a lemon garnish stands on the left. The background is filled with out-of-focus, colorful bokeh lights in shades of orange, red, and yellow, suggesting a festive or nighttime bar atmosphere. The word "Barware" is written in a white, italicized serif font in the center of the image.
